Congratulations on your new home and welcome to the beautiful Charleston Harbor Community! As a property owner, you are automatically a member of the Charleston Harbor Homes Association.

By way of introduction, we are Jason & Nikki White, Owners of Brookwater Management. Our company will be providing management services for Charleston Harbor in the year 2018.

Brookwater Management's mission is to provide excellent service, build positive community relationships and protect home values. We believe through effective communication and responding to the needs of the community we will build a great relationship with both your community leaders and you - the residents of Charleston Harbor. We promise to work diligently to preserve and protect the appearance and architectural harmony of your community.

As a new resident, we encourage you to visit the Charleston Harbor website at www.charlestonharbor.org. More information will be provided to you from the Charleston Harbor Welcoming Committee! Residents are encouraged to register with the Brookwater Mobile Application. This allows residents to receive community announcements and personal account access with online assessment payment options. Please contact Brookwater for your account information.

As your community association management company, we are available to assist you with any questions you may have. On behalf of Charleston Harbor Homes Association Board and the Brookwater Management team, we welcome you and look forward to meeting you within the community!
